

Jane M. Harre

Vice President

*Finance, Accounting, and Contracts Group Manager
Controller*

Ms. Harre joined Sonoma Technology in 2016. She has more than 30 years of broad experience in financial analysis, accounting, operations, and performance management. Ms. Harre is Sonoma Technology's Controller, is a member of Sonoma Technology's Senior Management Committee, and manages the company's Finance, Accounting, and

Contracts Group.

Before joining Sonoma Technology, Ms. Harre was the Controller at Redwood Credit Union for four years. While there, she directed financial reporting, credit and interest rate risk functions, as well as the annual budget process. She oversaw all accounting functions, including accounts payable, payroll, wires, and reporting.

Previously, Ms. Harre was the Managing Director at GMAC-RFC, where she developed strategic planning, financial reporting, and business decision support processes across the six divisions of Business Lending, which resulted in consistent, comparable, and clear management reporting. She was also responsible for all accounting, treasury, financial planning and budgeting, financial modeling, and risk management functions for a division of GMAC-RFC. Ms. Harre was chosen as one of 20 managers for participation in GMAC-RFC's Class of 2006 Executive Leadership program.

Ms. Harre also worked for public accounting firms for seven years. She began her career as an auditor with Deloitte & Touche. She then went on to work at a public accounting consulting firm specializing in government contract and litigation consulting.
